The National Maternity Hospital

Private Charges for Maternity Care from 1st January 2016

Single Occupancy room per night ............ €1000.00
Multi-Occupancy room per night ............. €813.00

Day Case: €407

A government levy of €75 applies to all inpatient stays per night and to all day case stays per day.

It is your responsibility to check with your insurance company to ensure you are fully covered for your hospital stay in a semi-private room or private room. You will be liable for any outstanding costs not covered by your Health Insurance Company.

Epidural Anaesthesia ....................... €289.00 (Covered by Insurance)
Normal Delivery ............................. €289.00 (Covered by Insurance)
Caesarean Section......................... €320.00 (Covered by Insurance)
Pathology ..................................... €125.00 (Payable by patient after Booking
Bloods have been taken. The balance for Pathology will be settled directly by the Health Insurance Provider after delivery.)

Paediatrician – Inpatient ...................... €135.00 (Covered by Insurance)
Special Care Unit per night ................. €813.00 (for this claim to be covered in full your baby needs to be included on your policy)
Ultrasound Scan (each) ...................... €110.00 - €140.00 (Payable by Patient)
Paediatrician (6 week check-up) .......... €100.00 (Payable by Patient)

Private Consultants Fee

Normal Delivery: varies from €3500 to €5000
Caesarean Section: varies from €4000 to €5500

NOTE: All medical fees charged are levied by individual consultants and the amount charged is dependent on each consultant. These fees should be discussed with your consultant at time of booking.
