Patient Outcomes

"...a brilliant idea and great for all the staff to see what's happening. Could we have one for labour ward? NICU? PNWs? – the list is endless!" – **Consultant Neonatologist**

"Not working in a clinical setting, and being away from the hospital building, I find the Dashboards really interesting – just to get a glimpse of activity/what's going on in the hospital." – **Senior HR Executive**

"This is great! It's a very clear snapshot of the hospital's activity and is quite informative for staff in less clinical operations. I just wanted to say thanks for putting this together and distributing it." – **Hygiene Services Manager**

"I love this – lovely infographics and fascinating info!!" – **Physio Manager**

"The dashboard looks fantastic and so easy to see at a glance the hospital activity" – **Clinical Practice Development Co-ordinator**

"..... enjoyed it and the information contained." – **Consultant Obstetrician**
